Star Trek
Essays Exploring the Final Frontier
Emily Strand, Amy H. Sturgis (Eds.)

After more than 55 years of transmedia storytelling, Star Trek: Essays Exploring the Final Frontier is a global phenomenon that has never been more successful than it is today. This accessible and multidisciplinary anthology includes analyses from a wide range of scholars and explores Star Trek from its debut in 1966 to its current incarnations, considering its implications for and collaborations with fandom, and tracing its ideas and meanings across series, media, and time.

Socializing Militants
How States End Asymmetric Conflict with Non-State Militants
Jeremiah Rozman, Association of the United States Army

Socializing Militants: How States End Asymmetric Conflict with Non-State Militants addresses some of the most important conceptual, methodological, and empirical challenges and opportunities with which the sister disciplines of semiotics and discourse analysis are mutually confronted in the context of considering new avenues of cross-disciplinary application to distinctive branding research streams.

Unwrapping Racism
Dealing with Differences
Chuck Grose
This book will present key issues, such as cultural privilege and its prevalence. The reader will be lifted up from xenophobia, colonialism and slavery while creatively facing individual responses to those issues today. All those approaches move into our societal goals of assimilation, cultural pluralism and the “melting pot” concept. As Unwrapping Racism: Dealing with Differences confronts race, it challenges the reader to grapple with action-oriented exercises, questions, and projects relevant to key paragraphs on every page.

What are Coincidences?
A Philosophical Guide Between Science and Common Sense
Alessandra Melas and Pietro Salis
This book explores the causal conception of chance and tries to shed new light on it. A brilliant dissection of the conundrum of meaningful coincidences that introduce and discuss recent work in psychology.

Personalism and Metaphysics
Is Personalism a First Philosophy?
Juan Manuel Burgos, Universidad Villanueva
Written by an international expert in personalist philosophy, this book first defines the various meanings in which the term metaphysics can be understood and, secondly, does a comparison between personalism, in particular, integral Personalism, and the metaphysics of being. The analysis concludes that personalism can be considered a first sectoral philosophy, that is, a philosophy that does not need other philosophical referents to establish itself as a philosophy thanks to its direct access to experience.

Editorial values and standards
A work’s contribution to knowledge, irrespective of approach or perspective, is the central criterion of our acquisition process. Importantly, our acquisitions are driven by their research impact and current academic trends rather than saleability. Peer review, in-house editorial expertise and collaboration with advisory editors ensure our titles are relevant and of a high academic standard. Our commitment to scholarship has been recognized with inclusion in the lists of academic publishers maintained by the Spanish National Research Council, the Finnish Publication Forum and the Norwegian Centre for Research Data.

Individual attention
We care for and pay attention to the needs of each of our authors. We are responsive to author queries and strive to keep you up to date with your manuscript’s progress towards publication. We only enlist qualified and sufficiently motivated experts to review your work and guide them to offer constructive criticism. This ensures that peer reviews are thorough, constructive and respectful of your effort as an author.

Maximum exposure
We work closely with our industry and academic community partners to understand current trends and market our titles appropriately. Besides traditional book marketing, we make extensive use of digital marketing tools and are able to work with authors on promotional activities. All our books are also published as e-books and paperbacks. As reported in WorldCat, our books are held by academic libraries worldwide. Our books are also available through a wide range of specialized resellers, e-book aggregators, select academic bookshops and online retailers such as Amazon and Barnes and Noble.

No cost burden & flexibility about sharing
It’s simple: we never charge authors for publishing - no hidden fees, no surprises. Our no-charge promise reflects our confidence in commissioning only high-quality works, the quality of our production and the efficiency of our workflow. Authors of monographs are offered complimentary copies of their book and all authors can purchase additional copies at a 40% discount.
PRICING & DISCOUNTS
All our authors get generous discounts across the range of our titles. Discounts are also available for bulk purchases or as part of long-term agreements with academic associations, university libraries and major resellers.

CHANNELS
You can order directly from our website or with major academic distributors, including YBP, EBSCO e-books, ProQuest, Brodart, Ingram, Nielsen and Amazon. For bulk orders please contact accounts@vernonpress.com to set up a trade account.

STAYING UP TO DATE
Visit our website for the latest news on our titles, series, occasional offers and competitions. Our website also provides downloadable material for our titles, including flyers, as well as scientific data and software code. Subscribe to our RSS news feed for instant updates.
