'The Playbook of Persuasive Reasoning: Everyday Empowerment and Likeability' provides an easy, practical guide to the strategies of persuasive reasoning, which Gavin Hurley argues is crucial to all effective communication. Helping professionals and students to become better and more likeable communicators, this fundamental "playbook" outlines numerous eye-opening communicative maneuvers for readers of all levels and backgrounds. It offers a unique approach to argumentation and persuasion and moves away from the more conventional methods which are often overtechnical, unnecessarily complex or too science oriented. Hurley demonstrates how to successfully apply these strategies of cooperative argumentation to your life in order to succeed professionally, socially and cerebrally. This he argues, will allow you to empower your persuasive reasoning in order to strengthen your social magnetism. 'The Playbook of Persuasive Reasoning' is a down-to-earth guide on effective rhetorical strategizing. It is written for everyday application, based on everyday examples, and embedded in everyday language. Today, successful communication is a highly sought-after trait by international employers, clients, and customers alike. Gavin Hurley shows how a wide range of people can benefit from learning how to deliver more abstract material in an effective manner: both verbally and written. This guide is particularly appealing for professionals, including business managers, as well as academics and students, including public intellectuals. ‘The Playbook of Persuasive Reasoning’ is a useful book for anyone wanting to enrich their skills and strengthen their powers of communication in order to have a social and professional advantage.

About the author

Dr. Hurley teaches courses in Ethical Reasoning as well as Persuasive Writing at Lasell College in Newton, Massachusetts. He leads a knowledge-hungry student audience at Lasell College where he helps to build practical skills and professional acumen. Dr. Hurley has taught persuasive writing and argumentation for eight years at several higher education institutions. A specialist in the field of persuasive writing and reasoning, Gavin F.
